### **Cookie statement**

Blue Team Intelligence uses technical and functional cookies to optimize the website. Cookies are small text files that are sent when you visit a website to make visitors' user experiences more efficient. Blue Team Intelligence may, by law, store cookies on your device if these cookies are strictly necessary to use the website. Your permission is required for other types of cookies. We recommend accepting cookies in connection with the user-friendliness of the website. Visitors to the website have a check-in option.

The cookies that Blue Team Intelligence uses are functional cookies: these cookies ensure that the website works properly. These cookies have no consequences for your personal privacy, so no consent needs to be requested and granted. For example, these cookies store your browser settings so that our website can best be viewed or that the website

remains accessible (load balancing), but also cookies that ensure that no other cookies are allowed to be placed (no-follow).

With your permission we place "tracking cookies" on your computer. We use these cookies to keep track of which pages you visit, in order to build a profile of your online behavior. This profile is not linked to your name, address, email address and the like, but only to tailor advertisements to your profile so that they are as relevant to you as possible.

Google cookies are also placed on the Blue Team Intelligence website for Google Analytics. This means that Blue Team Intelligence cannot link information to a natural person. We do not keep any information about what you do on the internet. Google Analytics may be obliged to provide access to this data based on applicable laws and regulations. If you have any questions about this, please contact us at [info@blueteam-intelligence.nl](mailto:info@blueteam-intelligence.nl).

### **Use social media**

Blue Team Intelligence uses third-party cookies to optimize the website. Some cookies are placed by third-party services displayed on the website. Third parties mean Google Analytics and social media (LinkedIn). The privacy and cookie policy of the relevant company applies to the use of cookies from other companies (third parties). When you click the social media button on the website, a social media cookie is placed. This allows the social media party to recognize your IP address as soon as you share an article from the website. For the cookies of social media parties and the data and/or personal information they collect with them, Blue Team Intelligence refers you to the privacy and cookie statements of these parties.

### **Browser settings**

If you do not want websites to place cookies on the device you use to view the website, you can adjust your browser settings. Before a cookie is placed, you will receive a warning and you must give permission for the cookie. If you do not do this, it may, for example, result in the website working less well. You can adjust the settings of your browser so that your browser refuses all cookies and also cookies from third parties. You can also delete placed cookies. To do this, you must adjust the settings of your browser via preferences and then you can adjust the privacy settings.

This privacy statement does not apply to third-party websites that are connected to this website through links. We cannot guarantee that these third parties handle your personal data in a reliable or secure manner. We recommend that you read the privacy statement of these websites before using these websites.

## Right of data subjects

As a data subject you have the following rights:

- Right of access; As a data subject, you have the right to obtain information about whether or not your personal data is being processed and, if that is the case, to obtain access to the processing thereof.
- Right to rectification; You have the right to obtain rectification and addition of incorrect data.
- Right to erasure; A data subject must obtain the erasure of personal data concerning him or her without unreasonable delay.
- Right to limit processing; As a data subject, you have the right to restrict the processing of your personal data. Please contact Blue Team Intelligence for this.
- Right to data portability; A data subject has the right to receive the personal data concerning him or her, which he or she has provided to Blue Team Intelligence, in a structured, commonly used and machine-readable format and also to transmit this data to Blue Team Intelligence without hindrance from the controller to whom they were provided.
- Right to object; The data subject has the right, on grounds relating to his or her particular situation, to object at any time to the processing of personal data concerning him or her, including profiling based on those provisions. Blue Team Intelligence will cease processing the personal data unless there are compelling legitimate grounds for the processing that outweigh the interests, freedoms and rights of the data subject relating to the exercise, establishment or substantiation of a legal claim.

## Complaint

If you have a complaint about the way in which Blue Team Intelligence handles your personal data, or wish to exercise one of the above rights, you can contact us via the website or by e-mail at [info@blueteam-intelligence.nl](mailto:info@blueteam-intelligence.nl). To ensure that you wish to exercise a right, Blue Team Intelligence requests that you send a copy of your proof of identity. You can black out your passport photo and MRZ (strip with numbers at the bottom) to protect your privacy. Blue Team Intelligence will respond to your request as soon as possible, but no later than within 4 weeks. You can also file a complaint with the Dutch Data Protection Authority. This is the competent enforcement agency. You can contact us via this link: <https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>.

## Changes to Privacy Statement

Blue Team Intelligence can change the privacy statement at any time. The most recent version is published on the website. Therefore, always keep an eye on the website for the

most recent version. If the new privacy statement has consequences for the way in which we process already collected data relating to you, we will inform you by e-mail.
